About Short Term Training Program

The objective of this Short Term Training Programs is to conduct training for Librarians to prepare them for being successful, effective, to provide a dynamic and quality user centered library and information services that enhance teaching, learning and research while inculcating life-long learning skills and fostering human development. The Library brings high quality, scholarly information resources and services to the University and Institutes.

This Training Program is an effort to assist Librarians in:

- To enhance professional skills in Library;
- In taking library and information services beyond the four-walls of the libraries;
- To use ICT tools for effective user services;
- To produce need-based instructional materials for the users;
- To discover new areas of research and enquiry in the field of library science.

About The GTU—Library

Students should have good Research Projects and for that Again and Again "Search" will happen through the support of e-Library access and that too with latest technology "RemoteXS". With this thought GTU e-Library has born for its all stake holders under the guidance of members of "Library Advisory Committee". GTU Library has subscribed and created the knowledge exploration of E-Library by procuring e-Resources. GTU has procured K-hub Virtual Library resources for Pharmacy and Management Scholars. The K-hub Pharmacy database provides access to 1348 e-journals, 751 e-books, and 6 e-News Papers. The K-hub Management database provides thousands of e-journals and other e-resources. Library Section has received ESS grant for IEEE journals, Magazines, proceedings, newsletters, standards and for Bentham Pharma. GTU elibrary portal contains GTU Repository (PG Thesis, PhD Thesis), Study Material and Subjective Presentation.

About the GTU

Gujarat Technological University (GTU) is the largest government university in Gujarat, catering to the fields of Engineering, Business Management, Computer Science, Pharmacy and Architecture. GTU is having a pool of more than 5,00,000 students and 18,000 professors teaching in more than 500 affiliated colleges/institutes across the state of Gujarat.

GTU has initiated number of innovative policies and it has put in place systems to develop GTU into a great university. Today GTU is considered as the benchmark among the technological universities of India. Its industry-oriented academic programs and its efforts for establishing and maintaining an active relationship with industries and businesses through GTU Innovation Council has been recognized as the most successful effort in the country.

GTU has established fourteen Post-graduate Research Centres, including the Centre for Infrastructure, Transport and Water Management, Centre for Environmental and Green Technologies and Centre for Environment and Energy Efficiency. The Innovation Council of GTU is well known in the country for its initiatives in grass root innovation work by the engineering students for solving problems of SME industrial units located throughout Gujarat. Intensive innovation efforts resulted in many patentable outcomes. GTU's Policy Documents for Student Start-up Development and for Skill Development Mission are being used by universities all over India.
